

Special Announcement: India Child Adoption Program

Journeys of the Heart Adoption Services Is Relaunching Our Indian Child Adoption Program
Adopt A Child From India!

India has been in our hearts since many of our own children came home from India adoption programs. So, it is with great excitement that we announce the reopening of the India Program.

Journeys administration, in conjunction with experienced India adoption consultants, is launching our revamped the program that will be successful for families wanting to adopt Indian children.

Journeys knowledgeable international adoption staff will be coordinating the program in cooperation with great consultants and staff on the ground in India.

To stay posted on this exciting program please email info@journeysoftheheart.net

More information will be coming. Fees are as follows:

5% of all cases)

**JOH may use a small portion, less than \$50, of the program fees that a person pays for JOH's adoption services to sponsor independent adoption specialists or speakers at adoption conferences or workshops or other adoption related special events. This is a 'first look' at the fees for our program, adoption contracts will include more precise fees. This preview is intended to help families establish realistic 'budget numbers' and final fees will vary from what we are posting, here. Families interested in adoption a child from India please email info@journeysoftheheart.net
